

Denver's AOC — Candi CdeBaca — has already shaken the city but could this disruptor rattle Congress too?
Aug 04, 2019

Article

Author, *The Denver Post*, August 4, 2019

The West is experiencing a reawakening of nationalism, from Brexit to the election of a troublemaking U.S. president. This era of political upheaval is producing a new generation of disruptors at all levels of government and Denver's political sphere is no exception.
