## Article

Law & Water Column, *American Water Works Association Journal*, October 2008.

Attorneys in Brownstein's Water Group author the monthly "Law & Water" column in the *American Water Works Association Journal*. Each column provides valuable legal insight in the form of case summaries of interest to water utilities across the U.S.

The October column covers the Montana Water and Sewage Association's ability to ban private wells, the U.S. Environmental Protection Agency's revised underground injection control regulations in Florida, and maintenance and repair responsibilities for a dam on a private lake in Indiana.
