

Brownstein Government Relations Podcast Series: Higher Education
Jul 10, 2017

Podcast

Brownstein Podcast Series, July 10, 2017

Dr. Terry Hartle, senior vice president at the American Council on Education, joins Brownstein Strategic Advisor Sen. Mark Begich for a discussion about how the current political environment is affecting higher education, including issues related to cabinet vacancies and student loan servicing as well as what can be expected going forward with the Trump administration.
