

Colorado, 2018 Midterm Elections

There Will Be a Wave But It Could Be a Tsunami

Oct 12, 2018

## Article

Author, *The Denver Post*, October 12, 2018

A blue wave is coming.

On Nov. 6, Colorado voters are poised to award the Democrats a political trifecta: control of the office of governor, state House and Senate. The available data and political science of the moment — recent election results, female and unaffiliated voter participation and the strength of the Democrat's bench — all point to a blue wave this year.

This is not necessarily good news for the Democrats.
