

Patent Associate

Brownstein Hyatt Farber Schreck is seeking a Patent Associate with 2-4 years of experience for the firm's Denver office. Qualified candidates will have a degree in mechanical or electrical engineering, will be admitted to the USPTO, and have patent drafting experience. Two+ years of experience at a mid-large sized, top tier IP firm preferred. JD, mechanical or electrical engineering background, excellent academic performance, strong writing and analytical skills, interpersonal skills, and the ability to work in a team environment required.

Please apply by sending a cover letter, resume, references, writing sample and transcripts to AttorneyRecruiting@BHFS.com. EOE
