Product Labeling Law: A Primer and a Warning for California Cannabis Executives

Dec 18, 2018

Article

Author, *Cannabis Industry Journal*, December 18, 2018

What do you get when you combine a Schedule 1 federally controlled substance with a plethora of food, beverage and cosmetic entrepreneurs marketing new products to inexperienced users and then place that combustible combination into California's plaintiff-friendly legal environment?

A lot of rich plaintiffs' attorneys.
