Event

With the Department of Justice opinion on December 23, 2011 attempting to clarify the legality of US Online Gaming; operators, manufacturers, and technology providers are preparing to put interactive operations in place. Shareholders Frank Schreck, Jennifer Carleton and Elizabeth Paulsen will be featured during the C5 US Online Gaming Law Forum in Las Vegas, Sept. 19-20, and provide insider perspectives regarding how online gaming is developing in Nevada and how U.S. casinos and foreign operators are navigating joint venture agreements.
