Brownstein Hyatt Farber Schreck is pleased to announce that Associate Craig Finger was recently appointed to the board of advisors of Colorado Succeeds, a nonprofit, nonpartisan organization that brings business, government and education leaders across the state together to ensure all of Colorado's children are educated to their greatest potential.

In his role, Finger will be involved in engagement opportunities to promote educational policy, innovation, diversity and business collaboration. "As a product of public education and from a family of educators, I believe access to quality, affordable and innovative education is of paramount importance," said Finger. "I am excited to be joining the board of advisors, not only to promote and support Colorado Succeeds' mission and values, but also to help drive solutions to the many obstacles Colorado schools and businesses face."
