

Keep the Promise: Don't Cut Veteran Education Benefits
May 31, 2016

Article

Co-Author, *The Hill*, May 31, 2016

As cities and towns across America prepare to celebrate Memorial Day, we are once again reminded of the sacrifice of the small minority of men and women who volunteer to put themselves into harm's way for our nation. But, after the streets get swept and the flags are returned to storage, some of our elected leaders will return to Washington and fail to honor the promise we have made to our service members.
